Description

This poly-backed adult diaper is ideal for very heavy and overnight urinary and bowel incontinence and the plastic backing will ensure odor and leaks are securely contained within the adult disposable brief. It has the capacity to hold and absorb up to 23 cups (182 oz.) of liquid. Because this is a powerhouse adult incontinence brief, it is bulky in order to give you the highest level of protection from leaks and odor but can be discreetly worn under loose-fitting jeans, pants, or pajamas for discretion.

The Rearz Inspire + InControl Nighttime Briefs are best for nighttime use, but are just fine for daytime use, as well. Features include refastenable tape tabs, a special distribution channel, high-standing leg guards which are good for booster pad use, a *tapezone* on the front that makes fastening and refastening quicker and easier, and odor protection.

Sizes are as follows: Small: Waist/hip 27 - 36 inches; Medium: Waist/hip 32 to 40 inches; Large: Waist/hip 36 to 50 inches; X-Large: Waist/hip 40 to 58 inches. This adult diaper can be worn by both men and women.
