Description

Abena Abri-Flex protective underwear are perhaps the finest pullups available anywhere. Made on new state-of-the-art equipment at Abena's factory in Denmark, these pullups offer superior absorbency, comfort and leakage protection. The cloth-like outer covering is not only breathable but also incredibly soft to the touch.

These are our most absorbent pullups, and the most absorbent that we have tested to date against all competing products.

Abena Product Names: Abena Abri-Flex XS1
