Description

Clinically proven to decrease urinary incontinence, overactive bladder and nighttime urination.

Rejoice Plus is a maximum strength dietary supplement. Rejoice promotes strengthening of the pelvic floor and sphincter muscles while relaxing the bladder to lessen spasms of the bladder. The supplement — in combination with lifestyle, dietary adjustments, and pelvic floor exercises — will greatly reduce Urge and Stress Incontinence.

*Allow 6-8 weeks to realize full benefits. Made in USA

Here's what our customers are saying:

"As per my PT's direction, I started taking Rejoice, a drinkable supplement in tandem with my exercise about 2 months ago. Because it has natural ingredients and strengthens the pelvic floor, just like my exercises, I was comfortable incorporating it into my day. Now, just like my husband, the only reason I get up at night is for a screaming child! I have been urinating in the daytime significantly less than I used to and several times recently, I was even able to hold it during car rides when it was just not possible to stop with my kids in tow."

Janis — Special Ed Teacher

"While I am at work, I am constantly thinking every hour that I need to get to the bathroom. I also take a bus home from work and often there is a traffic and it can take a long time. Every day I would be nervous getting on that bus that I would not make it home in time to get to the bathroom. That is no longer the case. Now that I have been taking Rejoice, I can relax on the way home and not be anxious that my bladder won't hold up. I can take my time getting home knowing that Rejoice has helped solve my issue with incontinence."

Ted A. — age 60, New York

"Urinary health is so important and that is why I am drinking Rejoice from Nutritional Designs! This product is Sugar Free and it tastes so delightful! This product is for the treatment of incontinence, overactive bladder, + prolapse with many other common deficiency benefits, without the nasty side effects of prescriptions. This product is an incredible lifestyle changer!! So glad to find it!"

Jes K. — age 19, Pennsylvania

Ingredients: HyperPure Pumpkin Seed Extract, L-Citulline, L-Arginine, Vitamin D3, Prebiotic Inulin, Purified Water, Glycerine, L-Tartaric Acid, Xylitol, Malic Acid, Natural and Artificial flavors, Cellulose Gum, Potassium
