## Description

---

Abena Abri-Form briefs are perhaps the finest adult diapers in the world. They are made in Denmark on state-of-the-art machinery, using only the highest quality raw materials. They are chlorine free, perfume free, allergen free, and have absorbency and leak protection in a league beyond most other brands.

These are the original plastic-backed version. All feature soft standing leak guards elasticated leg gathers and four refastenable tapes for a comfortable fit. The key feature of AbriForm briefs is their incredible absorbency. Just one X-Plus brief offers up to four times the absorbency of a typical store-brand product.

Also known as Abri-Form Comfort Adult Briefs / Plastic Back, Abri-Form M4, Abri-Form L4
