## Description

---

Abena Abri-Form briefs are perhaps the finest adult diapers in the world. They are available in five sizes and several levels of absorbency. All feature soft standing leak guards, and four refastenable tapes for a comfortable fit. The key feature of AbriForm briefs is their incredible absorbency. Just one X-Plus brief offers up to four times the absorbency of a typical store-brand product.

The Premium AirPlus briefs featured here have all of the same great features of the original AbriForm, with the added benefit of a soft cloth-like outer covering. The cloth like material is waterproof, yet allows air to circulate through the material resulting in a more comfortable fit with less heat build-up.

If you are looking for an incontinence product with superior performance, the Abena X-Plus is second to none.

Also known as Abri-Form Premium Adult Briefs Level 2 / Completely Breathable, Abri-Form XS2, Abri-Form S2, Abri-Form M2, Abri-Form L2, Abri-Form XL2
